MISSION AND VISION

Our Mission

In response to funding restraints, which place limitations on the level of health care that can be provided, the Board of Directors of the Gawler Hospital established a separately incorporated body – the **Gawler Health Foundation**.

The focus of the Foundation is to coordinate and organise all fundraising efforts for the Gawler Hospital. This will ensure that the Health Service has an alternative funding source aimed directly at supporting the provision of high quality comprehensive health services in the Gawler & Districts community.

The ongoing support of the community through donations and gifts, including bequests, will be vital in the future to ensure the Gawler Hospital continues to provide a high level of care and meet the community's health care needs.

Our Goals and Objectives

- To raise funds for or make donations to the Gawler Hospital.
- To support and otherwise foster the provision of high quality health services through the Gawler Hospital.
- To promote involvement of the community in health.
- To raise the image and profile of both the Gawler Hospital and the Gawler Health Foundation within Gawler Hospital's catchment area.

CHAIRPERSON'S REPORT

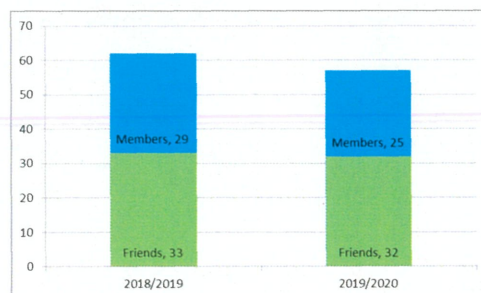

After the major donations to the Gawler Health Service (GHS) in the previous financial year, the Board of the Gawler Health Foundation (Foundation) has been concentrating on re-stocking the bank balance. Like a lot of charitable organisations in our Community, we continue to face a decline in membership and income.

It is unfortunate that some planned fundraising activity for 2020 could not be run due to the restrictions imposed by the pandemic fighting regulations. However, we have started our monthly Bingo sessions at the Kingsford Hotel and, by the time you read this, we will have run a, hopefully, successful quiz night.

As you will see from the charts below, our primary source of income continues to be from donations. I would like to take this opportunity to thank Taylor and Forgie Funeral Directors for their generous donation resulting from a promotion run on their initiative.

Unfortunately, membership continues to drop. The Board has looked at a couple of, sadly unsuccessful, initiatives over the last year to address the declining membership including a targeted drive with the staff. We will continue to look for opportunities to improve the Foundation's membership base.

All charitable organisations have administration costs to bear. Every dollar spent on administration is a dollar that cannot be used for our primary purpose. The Board continues to look at opportunities to reduce the administration cost burden. Last year, we reported that we would be looking at opportunities to reduce postage costs. This has been successful and has resulted in our administration costs dropping from 8% to 7% of total income.

Of course, our key way to manage operational costs is through the use of volunteers. During this year, we have conducted a number of minor fund raisers and these have been very successful. However, they do not happen by themselves and have required lots of effort from the Board members.

The day-to-day running of the Foundation would not happen without a significant level of effort from Nicki Ryan, our volunteer administrator. Nicki puts in a fantastic amount of effort and without her support the administration of the Foundation would flounder. On behalf of the Gawler Health Foundation, THANKS NICKI.

IN MEMORIAM DONATIONS 2019/2020

The passing of a loved one is a time of personal sadness for families. During 2019/2020 we had no in memoriam donations.

BEQUESTS 2019/2020

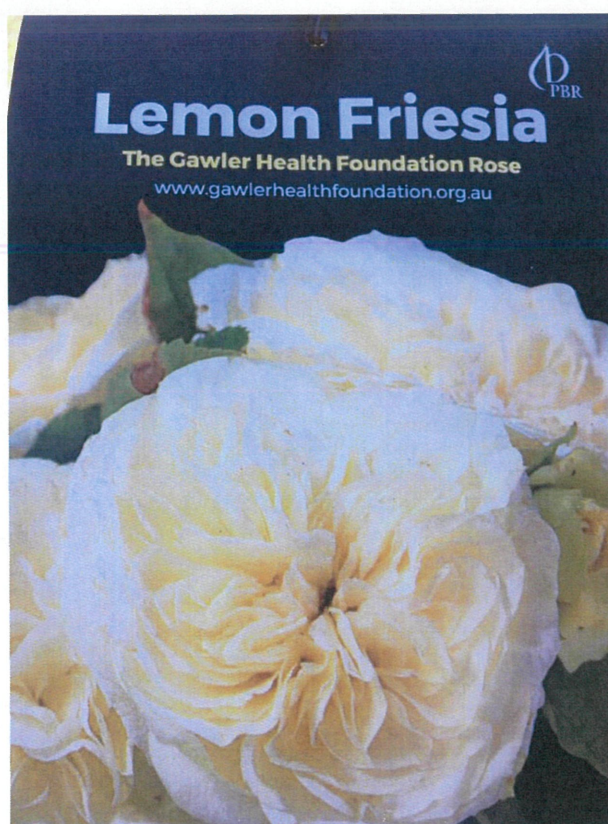

Bequests are gifts to the Gawler Health Foundation specifically listed in the last will and testaments of our supporters. Whilst they are no longer with us to thank for their kindness, they will not be forgotten.

There were no direct bequests received during 2019/2020.

PROJECTS AND EQUIPMENT

During the 2019/2020 financial year, the Gawler Health Foundation facilitated and supported the delivery of projects and pieces of equipment to the Gawler Hospital. These items include:

Enterprise 5000X Bed	\$5179
Pan Carrier for shower commode	\$78

CORPORATE AND COMMUNITY PARTNERSHIPS

The Foundation gratefully acknowledges the support of many local businesses and organisations. Their help is vital to the success of the Foundation, particularly to increase profits at events and fundraising activities, and we urge all members to support them by shopping locally whenever possible.

Often this support is non cash based and therefore is not reflected in our accounts. Donations of time, stock, discount and other gifts often save us thousands of dollars, which in turn can be used for other purposes.

We estimate that \$5,000 of in kind support for the Gawler Hospital and Gawler Health Foundation has been generated by the Foundation during the last year which has not been reflected in the financial accounts

VOLUNTEERS

Many people have given their time on a voluntary basis, to assist the Foundation over the past twelve months. The good will and enthusiasm shown in the performance of many tasks, makes it possible to undertake fundraising efforts which benefit the Gawler Hospital.

Our grateful thanks are extended to each and every volunteer, plus volunteer co-ordinators and agencies that have assisted the Gawler Health Foundation. Our special thanks to Margaret Travers and Graham Hillman for all their hard work this year. The stall out the front of the office is a wonderful way to raise much needed funds, while putting a smile on patients and visitors faces.

Without your efforts, we would not have been as successful in our endeavours.

ACCOUNTANTS

Gawler Health Foundation Incorporated (Qualified) Independent Audit Report

To the members of Gawler Health Foundation Incorporated

We have audited the accompanying financial report, being a special purpose financial report, of Gawler Health Foundation Incorporated, which comprises the Balance Sheet and Operating Statement for the financial year ended 30th June 2020. The Committee is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation is appropriate to meet the requirements of the Associations Incorporations Act 1985 and the needs of its members. The Committee's responsibility also includes such internal control as the Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Incorporation's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Robert Milanese a director of our firm and a board member of the Gawler Health Foundation, has been excluded from the activities involved in undertaking the audit activity.

Electronic publication of the audited financial report

It is our understanding that the Gawler Health Foundation Incorporated, may electronically present the audited financial report and auditor's report on its internet website. Responsibility for the electronic presentation of the financial report on the Gawler Health Foundation Incorporated, website is that of those charged with the Committee of the Gawler Health Foundation Incorporated. The security and controls over information on the website should be addressed by the Gawler Health Foundation Incorporated, to maintain the integrity of the data presented. The examination of the controls over the electronic presentation of audited financial report on the Gawler Health Foundation Incorporated, website is beyond the scope of the audit of the financial report.

Audit Report Qualification

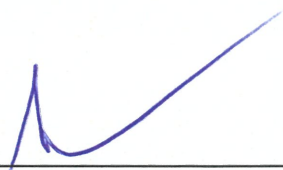

Basis for Qualified Opinion

Receipts from cash donations and other cash fundraising activities are a significant source of revenue for the Gawler Health Foundation Incorporated. Gawler Health Foundation Incorporated, has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us about revenue from these sources was limited, our audit procedures for donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether cash donations and other cash fundraising activity revenue obtained by the Gawler Health Foundation Incorporated, are complete.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report presents fairly in accordance with applicable Accounting Standards and other mandatory professional reporting requirements the financial position of Gawler Health Foundation Incorporated, as at 30th June 2020, and the results of its operations for the year then ended.
